VOLLRATH

781155

5 ½-quart heavy-duty stainless steel tapered saucepan and plated handle

Featuring a tapered shape that's ideal for thorough stirring, the heavy-duty saucepan by Vollrath stands up to the test of time. The strong 18-8 grade stainless steel promises a long life and is perfect for constant use. Ever-TiteTM riveting system provides for lifetime use without loose rivets. The new handle provides a cooler, more comfortable ergonomic grip. Thanks to its versatile design and even heating, this saucepan is ideal for a wide variety of applications.
