Unparalleled Performance and Value

Durable Construction

Made from strong composite plastic materials that are virtually unbreakable with heat-tolerant molded in rails.

Long Life, Low Maintenance

Backed by a lifetime warranty against rust and corrosion and made with easy to clean, smooth surfaces. Every part can be easily replaced if damaged.

Easy to Maneuver, Enhanced Stability

Premium plastic casters combined with structurally solid top and bottom frames provide a quiet, smooth gliding rack that easily maneuvers anywhere.

Quick and Easy Assembly

Ships knockdown with casters and bottom frame wedges factory assembled onto posts. Assemble in 4 easy steps with 1 tool – a rubber mallet.

Unique Top Frame

Supports a GN full-size food pan or GN custom made cutting board to create a light duty workspace on half size trolleys (GN 1/1 only).

The Kitchen Production Staff love

The New GN 2/1 Food Pan Trolley from Cambro...

It holds enough hotel pans to ensure we have all needed production items in one location. This really helps with walk-in storage and makes it easy to quickly "fire" an entire meal service off of one cart. Another benefit is the super smooth casters, making it easy to maneuver through a very busy production kitchen, without getting stuck on drains or cracks in the floor. And the trolleys are very easy to clean. We are very pleased with this product and will be ordering more to replace our current carts."

The Efficient Way to Store and Transport Food Pans

NSF COMPONENT

Store Safe

The Camshelving® GN Food Pan Trolley will instantly optimize your storage space and minimize employee handling. Switch from stacked food pans on shelves and/or food pans on sheet pans stored on speed/bun racks. Create compact, dedicated vertical storage for food pans with each pan easily accessible from top to bottom.

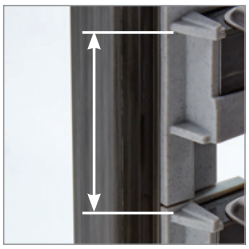
Weight Bearing

Per Rail Set	1/1 Units	40 lbs. (18 kg)
	2/1 Units	80 lbs. (36 kg)

EASY TO CLEAN AND MAINTAIN
Impervious to food acids or harsh chemicals. No sharp corners to collect food residue and grease.

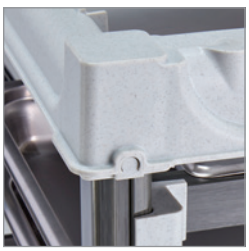
MOLDED IN PAN STOPS
0.12" (3 mm) pan stops at each rail end.

PAN STOP ACCESSORY
Extra insurance against food loss when needed. Locks in place.



3" (7,6 cm) Rail Spacing

VERSATILE PERFORMANCE
Use in kitchen, freezer or cooler. Hold hot pans from oven up to 390˚F (200˚C).



QUIET, SMOOTH MANEUVERABILITY
Solid top and bottom frames, a clean, contemporary look plus 4 premium plastic casters creates a quiet, gliding trolley for back or front of the house.

PREMIUM CASTERS
Heavy duty 5" (12,7 cm) swivel casters with non-marking thermoplastic rubber wheel and brake. Total locking brake locks both swivel and wheel.

GN 1/1 Food Pan Trolley Capacity*

1 full size pan per rail set, end load
