VOLLRATH

101-1-1

10-inch single-bowl stainless steel self-rimming drop-in sink with 3 ½-inch center drain

Thanks to its impressive construction, the self-rimming drop-in sink by Vollrath is designed to withstand constant use in your commercial kitchen. The one-piece drawn stainless steel offers exceptional strength, and the satin finish creates a sleek appearance that blends with the rest of your kitchen perfectly. The self-rimming design promises easy, sturdy installation, making this bowl just as convenient as it is reliable.
