13-inch 120-volt heavy-duty electric deli slicer

The Vollrath® heavy-duty electric deli slicer is designed specifically for delis or other high-usage retail operations. The hard-coated anodized aluminum exterior and stainless steel base are built to last, and the QuanTanium®-coated nonstick plate reduces drag while also making this slicer easier to clean. This belt-driven slicer has a reliable belt that will last for years, and a built-in sharpener easily maintains your high-quality blade. The 35-degree gravity feed improves productivity and ease of use, and a slice-adjustment knob creates consistent slices up to 13/16 inch thick. The extra-long slide rod accommodates large loaves of meats and cheese. A blade rim guard and a safety hand guard prevent accidental injury, as does a safety cover under the motor. For easy cleaning, the carriage tray safely tilts open, without exposing the blade, and a kickstand allows you to clean undernea...

SPECIFICATIONS

UPC	671080468181
(W) Width (IN)	25.18
(D) Depth (IN)	24.18

FEATURES & BENEFITS

- Designed to efficiently slice a variety of meat and cheese products
- Safe blade-removal tool is included for easy servicing
- UL sanitation, certified to the NSF/ANSI 8
- 6-foot 4-inch cord with plug
- 35-degree gravity feed ensures easy operation, preventing operator fatigue
- ½-peak-hp motor for continuous use and higher torque ideal for cheese slicing
- 13/16-inch maximum slice thickness
- 1 5/8” x 8” cutting capacity
- Solid aluminum slice adjustment knob for precise and consistent slice thickness
- Carriage tray tilts open with zero blade exposure for safety and easy cleaning
- Large receiving tray
- Safe blade removal tool
- Permanent blade rim guard for safety
