VOLLRATH

MBA92820

36-inch acrylic folding mobile breath guard with bag

The folding mobile breath guard by Vollrath is convenient, portable and versatile. The acrylic construction is lightweight, and the folding design secures with magnetic latches for ease of use. This breath guard provides a superior level of protection from contaminants and allows you to place it wherever you need it most. The clear acrylic is easy to see through, so you can protect your food items without sacrificing visibility.
