6-section-wedge Insta Cut® 3.5 manual food processor

Save time and energy with the Insta Cut 3.5 manual food processor by Vollrath. The sharp blades accurately cut fruits and vegetables with one stroke, without causing bruising or waste. The 6-section-wedge blade assembly simply pops in and out for easy changing and cleaning, and its speed makes it perfect for any prep kitchen. The sled-leg base design on this tabletop model offers exceptional stability, and suction feet prevent unwanted movement.
