General Information

Project Name: _____

Consultant: _____

Item #: _____

Model #: _____

Quantity: _____

Shown with Louvered & Solid Shelves w/ Optional Casters

PROUDLY MADE IN THE USA

Specifications

BLC Model Model Standard Duty Corner Shelving is constructed of 18GA Type 304 stainless steel. 26", 30", 33", 36", & 39" widths available to match standard BL shelving units to create shelving system.

Shelf edges are turned down 90 degrees and in 45 degrees for safety. Stainless steel gussets are welded to corners and secured to posts with posi-loc screws.

Posts are $1^{5/8}$" OD tubes, 16-gauge type 300 stainless steel, with top caps, and adjustable stainless steel feet. Exposed surfaces of all shelving units and components are finished brush satin.

Product Guide

For general purpose use for dry storage or in refrigerators and freezers.

Easily assembled and adjusted. Solid surface design permits quick clean up of spills. Louvers allow uniform temperature distribution.

Stationary units have stainless steel posi-grip adjustable foot inserts.

Mobile units provided with 5" casters. See selection guide and information.

Corner unit can be used with IMC/Teddy standard units to create a shelving system which optimizes the space.
