3.25-ounce one-piece thumb disher with ivory handle

Create accurate portion sizes and consistent scoops with the Vollrath 3 ¼-ounce disher. Designed to resist corrosion, this stainless steel disher will last for years. The molded, one-piece handle provides additional durability, prevents unsanitary food traps and is color-coded for quick identification. With a grooved design and all-natural antimicrobial properties, the handle ensures a comfortable grip and guards against harmful bacteria. This easy-to-clean, easy-to-use disher is protected under a lifetime limited warranty.
