VOLLRATH

47150

4-ounce round stainless steel squeeze disher

Designed to simplify the serving of soft food items, the Vollrath round squeeze disher is perfect for any buffet line, catering operation, restaurant, deli or other foodservice establishment looking to ensure accurate, consistent portions. Made of durable stainless steel, it features an ergonomic design that is easily operated by right- or left-handed users and a simple squeeze-handle release for efficient serving. With a blade that extends beyond the bowl to prevent sticking, it's perfect for serving soft foods like mashed potatoes, rice, pasta salads, desserts, and more.
