5.2-quart square double-wall stainless steel serving bowl with beehive pattern

Take your tabletop aesthetic to the next level with the Vollrath® square double-wall stainless steel bowl. Both attractive and functional, this bowl features a unique beehive pattern. An insulated, double-wall design helps maintain proper temperatures for both hot and cold foods. The double-wall design also prevents unattractive condensation, allowing you to serve any food without worry. Made of durable stainless steel, this bowl features a mirror finish on the exterior and a satin finish on the interior to help mask signs of wear and ensure a like-new appearance, even after years of use.
