VOLLRATH

48144

4 7/8-inch steak knife with jumbo plastic handle

This steak knife by Vollrath is a reliable option for any restaurant, catered event or other foodservice operation that regularly prepares and serves steak or other tough meats. Made of stainless steel, the blade is extremely durable and features wave serrations for swift cutting, while the jumbo plastic handle provides a comfortable grip. This knife is dishwasher-safe, making it easy to clean.
