# 44-inch heavy-duty stainless steel standard cart with 2 shelves

Designed for versatility and durability, the heavy-duty ergonomic cart is perfect for any restaurant, catering operation or other foodservice establishment. The large, sturdy shelves offer an impressive 900-pound weight capacity, while two casters and two wheels ensure swift maneuvering. Thanks to a comfort-coated handle, this cart offers a smooth user experience, and the strong frame promises years of dependable service.
