VOLLRATH

9303

Half-size Wear-Ever® heavy-duty aluminum sheet pan with natural finish

Made of heavy-duty 19-gauge aluminum, the Vollrath® Wear-Ever sheet pan is proven to be 20-percent stronger than the competition. It heats up and cools down quickly, and the pan's concave bottom flattens for even heating. The natural finish ensures uniform results, and the tapered sides allow for convenient stacking.
