VOLLRATH

97211

37.75-inch heavy-duty stainless steel standard cart with 3 shelves

The Vollrath® 3-shelf stainless steel cart promises years of durability and reliability. This versatile, heavy-duty cart is ideal for transporting food, supplies or even bus boxes. The 1-inch-square stainless steel frame and sturdy shelves are welded for additional strength and longevity, and the extended-height stainless steel handle features a comfort coating for your benefit. Two strong front wheels help stabilize the cart, while two swivel casters ensure swift maneuvering.
