Picture Shown with Optional Legs

Specifications

WSMS Model Multi-Station Wash Sink is constructed of 16GA stainless steel type 300 series, fully welded with 1½" roll front and sides.

Backsplash is 10" high to accommodate optional faucets and soap dispensers as required. Wall mounting "Z" clips are included with unit. Additionally 12GA stainless steel brackets, at each end, are welded to the bottom of the sink to attach with ¼" screws to the wall.

Gooseneck Faucet & drain is included with unit. Soap Dispenser is not included.

Product Guide

IMC Hand Sinks are easily cleanable without the use of tools. All corners are coved, and all seams are fully welded and polished smooth to a #4 brushed finish.

High backsplash provides space for a variety of faucets and soap dispensers. Backsplash also, protects wall and keeps sink sanitary.

Optional Adjustable Tubular Legs converts wall unit to a free-standing unit.
