VOLLRATH

3324C-01

24-ounce Traex® Color-Mate Tri Tip™ wide-mouth squeeze dispenser in brown with brown top

Provide easy access to popular condiments with the Traex Color-Mate Tri Tip wide-mouth squeeze dispenser by Vollrath. With this dispenser, you'll be able to provide easy, mess-free service, every time! The durable yet flexible polyethylene construction is easy to squeeze for fast service, and the translucent bottle helps you monitor product levels. Meanwhile, the brown color fits perfectly into your color-coded system. The Tri Tip design saves time in high-volume areas and allows you to quickly dispense condiments on larger food items like salads, sandwiches, and more. Cut the tips to dispense more viscous sauces, or leave as is for thinner liquids. Thanks to the clearly embossed capacity graduations, it's easy to monitor and control portions. The wide mouth ensures easy refilling, and both the bottle and the top are dishwasher safe, for fast, convenient cleaning.
