ITRC
Mobile Ice Cart

General Information

Project Name: _____

Consultant: _____

Item #: _____

Model #: _____

Quantity: _____

Specifications

ITRC Model Mobile Ice Cart is constructed of 18GA Type 304 stainless steel & holds 50lbs of ice and is insulated double wall ice bin with a hinged top cover. Cover latch on the side when opened to prevent bouncing around.

Inner bin liner is removable for cleaning and insulated from the outer body with 2" thick moisture resistant insulation. Bin is mounted on a 16GA Stainless steel cart with an intermediate shelf and full bottom shelf for storing glassware and accessories.

Built-in drain is provided at the bottom. Stainless steel push handle with donut bumpers and 4" swivel casters (two with brakes) allow easy maneuverability and protect walls from damage. Side supports alongside the shelves prevent tipping of contents.

Product Guide

IMC Carts are easily cleanable without the use of tools. All corners are coved, and all seams are fully welded and polished.
