12-inch stainless steel pom tongs with Kool-Touch® handle

The pom tongs by Vollrath are a versatile, reliable tool for any serving ware collection. These sleek, springless pom tongs are easy to clean, prevent unsanitary food traps and feature an insulated handle with all-natural antimicrobial properties that guard against harmful bacteria. The Kool-Touch handle is heat-resistant up to 180°F and color-safe up to 225°F, allowing you to use these tongs with a range of hot-food items. Made of durable stainless steel, these pom tongs are fully functional up to 350°F and feature lightly serrated ends that ensure a firm, yet gentle, grip.
