Griddle stone

Return your griddle to like-new condition with the Vollrath® griddle stone. This versatile, all-natural griddle stone is ideal for both flattop grills and griddles, is easy to use and eliminates harmful bacteria. This durable stone quickly cleans the griddle surface without causing damage, and it will not absorb grease and odor. An optional aluminum handle is sold separately.

FEATURES & BENEFITS

- Black stone is durable and long lasting
- Easy to use and saves time
- Will not absorb grease or odor
- Optional aluminum handle (Vollrath item number 47711) provides a secure grip and is sold separately
- Designed to quickly clean your griddle or grill surface without marring
