14-inch heavy-duty stainless steel perforated basting spoon with black Ergo Grip™ handle

Designed to provide the highest-quality service, the perforated basting spoon by Vollrath is ideal for basting, stirring, serving and more. Made of strong stainless steel, this one-piece spoon is resistant to corrosion, easy to clean, and the handle features all-natural antimicrobial properties that guard against harmful bacteria. The unique bowl shape fits into pan corners, helping to maximize serving efficiency and reduce waste, and the perforations allow excess liquid to drain quickly. The textured Ergo Grip handle features a stopper that prevents the spoon from sliding. Heat-resistant up to 450°F, this insulated handle ensures a comfortable experience and features thoughtful design elements that work together to promise superior results.
