VOLLRATH

6422865

8-ounce one-piece heavy-duty perforated oval Spoodle® utensil with orange nylon handle

Control portions and improve consistency with the heavy-duty Spoodle utensil by Vollrath. By combining the design elements of a spoon and a ladle, this Spoodle utensil is convenient, accurate and easy to use. The mirror-finish stainless steel construction is beautiful and corrosion-resistant, and the perforated bowl design is ideal for straining liquids from food. The nylon handle is heat-resistant up to 450°F and features a comfortable ergonomic grip. With all-natural antimicrobial properties, this handle guards against harmful bacteria. The one-piece design is easy to clean, while the color coding and capacity stamp on the handle allow for quick identification. A built-in stopper notch prevents the handle from sliding into pots or pans, and the textured handle prevents slipping, so anyone can use this utensil with efficiency and ease.
