VOLLRATH

64401

11 ¾-inch heavy-duty stainless steel perforated basting spoon

Reduce waste and maximize serving efficiency with the perforated basting spoon by Vollrath, which features a unique bowl shape that reaches into food pan corners perfectly. Made of heavy-duty stainless steel, this durable, one-piece spoon is resistant to corrosion, easy to clean and features a sleek satin finish that hides signs of wear. The strong handle offers superior strength and comfort, while the perforations drain away excess liquid quickly, making it an ideal choice for busy serving areas.
