VOLLRATH

75061

15-hole full-size stainless steel egg poacher cover

As a direct replacement for the Vollrath 75060 stainless steel 15 cup egg poacher set, this full size flat cover with knob ensures your eggs poach quickly every time. It is made of 22-gauge stainless steel for long-lasting use. Thanks to the knob handle, you can easily remove the cover and distribute your perfectly poached eggs to your guests. Poaching eggs is ideal for breakfast buffets, catered events, and hotel restaurants.
