VOLLRATH

97112

30.5-inch open utility cart with plastic uprights and three shelves

Efficiently transport food, dishes, equipment or other supplies with the Vollrath® three-shelf open utility cart. The plastic uprights provide reliable stability, and the structural foam shelves easily support 200 pounds. This cart features a textured gray finish that masks scratches and resists fading and discoloration. Four swivel casters ensure swift maneuvering, and the 10 ½-inch shelf clearance fits a variety of items for incredible versatility.
