Two-shelf stainless steel Thrift-I-Cart

Valuable and versatile, the two-shelf Thrift-I-Cart by Vollrath is perfect for transporting food, dishes, equipment and more. The chrome-plated tubular steel frame offers impressive stability, and the one-piece drawn stainless steel shelves create a sturdy surface. Four swivel casters ensure swift maneuvering, as do the two handles, so transportation around your establishment is easy and smooth.

FEATURES & BENEFITS

- 400-pound capacity is distributed between the shelves
- Chrome-plated tubular steel frame offers stability
- One-piece drawn 20-gauge stainless steel shelves are durable and long-lasting
- Four 4-inch swivel casters and two handles ensure swift maneuvering
- Made in the USA
