⚠ **Hardwired Equipment: This unit requires two separate power supply connections, each of which must be hardwired to its own dedicated electrical circuit by a licensed electrician. Do not attach a plug, cord cap, or any cord-and-plug connection — doing so voids the warranty and may create a safety hazard.**

USR Brands Group is a US supplier of premium quality commercial cooking, refrigeration and food preparation equipment. Our aim is simple. Produce industry-leading commercial restaurant equipment at reasonable prices, and back it all up with an easy to understand, no nonsense warranty that people can count on.
