27.5-inch Bussing Cart with 4 shelves

Save time and simplify your bussing process with the Vollrath® four-shelf bussing cart. Each strong shelf easily supports a bus box filled with plates, flatware and cups, allowing you to bus more areas before returning to the kitchen, increasing efficiency. These carts are enclosed on three sides to hide dirty dishes, and the 8-inch shelf clearance provides plenty of room for each bus box. Featuring a stainless steel body, ABS handle and black vinyl finish, this cart will be a sleek addition to your bussing system.
