VOLLRATH

97181

31-inch Bussing Cart with 3 shelves

Use this Vollrath bussing cart to quickly bus tables at your restaurant, catered event, or other food service establishment. Thanks to the three sturdy shelves, your busy employees can fill tubs to the brim with dirty plates, silverware, and glasses. Three shelves also means you can have three tubs at once, meaning there won't be as many trips to the kitchen when one gets full, which increases efficiency.
