INDUCTION RANGES

Engineered to Empower

With a sleek design and InductIQ™ technology, our single-hob induction ranges provide safe, efficient, and precise cooking performance.

2 YEAR WARRANTY

Induction Ranges

Vollrath® induction ranges with InductIQ™ technology improve upon the features you've come to rely on — powerful heat, efficiency, reliability and usability. Both single-hob models feature patented power control with precise temperature settings in an easy-to-use touch screen or knob. Perfect for simmering sauces, stocks and deep frying, the range's included temperature control probe ensures accuracy, while its energy-efficient design keeps the heat evenly distributed in the pan.

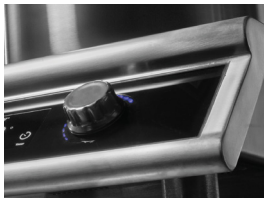
**Recommended for Canada*

Expanded magnetic field emulates gas to allow uninterrupted heat

Temperature range of 80°F-450°F (27°C-232°C) or power level 1-100



Fast, precise control knob and touch-screen slider

Patented circuitry delivers steady heat with no power cycling

Up to 93% more energy-efficient

InductIQ™ Technology

EXPANDED MAGNETIC FIELD

Distributes heat evenly for uninterrupted cooking

PAN-DETECTION TECHNOLOGY

Instant heat stays in the pan when you lift and tilt

PATENTED CIRCUITRY

Our exclusive induction circuitry delivers steady heat

PRECISE TEMPERATURE CONTROL

Responsive gas-flame-like control, in increments from 1 to 100% of watts

BOIL SPEED

Up to 28% faster to boil

ENERGY STAR® EFFICIENCY

Up to 93% more efficient than cooking with gas
