Signature Lemon Drop™ 30 compartment rack with extra-tall height in Light Green and all extenders in Grey

Featuring a unique, patented design that promises easy glass removal, the Vollrath® Signature 20-30 Lemon Drop racks easily outshine competitors. With strategically located compartment dividers that offer premium glass protection, these racks feature an open design for high-quality washing and quick drying. Any restaurant, café, diner, or other foodservice establishment can prevent breakage and create sparkling, spot-free glassware with these valuable racks.
