VOLLRATH

SBC12

Half-size cubic modular display case with front doors and nonstick aluminum sheet pan

Designed to exceed expectations, the cubic modular display case by Vollrath creates a beautiful presentation in your buffet or serving area. The clear acrylic case ensures excellent product visibility, and the front door provides self-service convenience. This case comes with a nonstick aluminum sheet pan (Vollrath® item number 5220NS), which offers impressive durability and easy release. This display case pairs beautifully with other cubic modular display items to create an attractive showcase.
