Model
## BOD-72GW-HC

### Cabinet Construction
- White-coated steel exterior
- White-coated steel interior and shelves
- Foamed-in-place polyurethane insulation
- Four (4) height-adjustable shelves accommodate various product sizes
- Tempered glass side panels enhance product visibility
- Protective front bumper
- Four (4) 1-1/4" roller casters
- Four (4) adjustable bolts to keep the unit securely in place

### Refrigeration
- R-290 hydrocarbon refrigerant
- Self-contained refrigeration system with a bottom-mounted compressor for easy service access
- Automatic defrost
- Digital temperature controller
- The top vent and perforated interior rear wall distribute cold air evenly throughout the display

### Design & Features
- Open-front design provides clear product visibility and convenient grab-and-go access
- LED interior lighting under each shelf enhances product visibility
- LED sign panel draws attention to the display
- Price tag channels standard
- Clear night curtain helps save energy

### Recommended Operating Conditions
- Designed to operate in an environment where temperature & humidity do not exceed 80°F and 55% respectively
- Units should not be installed near HVAC vents, fans or doorways that will disrupt the air curtain and compromise the function of the cabinet
- For built-in installations, allow at least 6" of clearance at the rear and 6" at the top
