Polymer Dunnage Racks

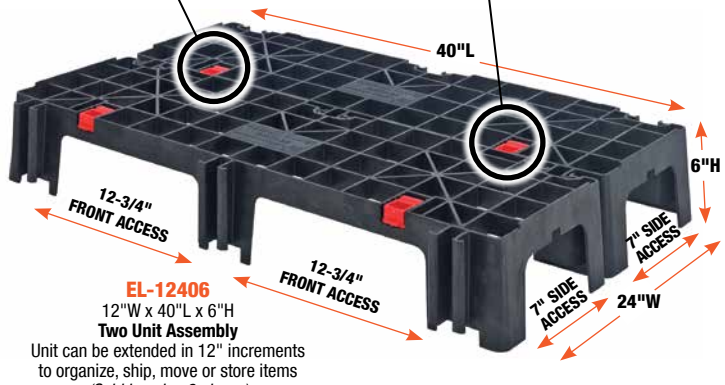

Our Dunnage Racks are as portable as they are versatile. Made from lightweight, heavy-duty high density polyethylene, these are the perfect match for wet or chemically intense manufacturing environments. A simple snap together design makes it a breeze to raise finished goods and raw materials off the ground and away from moisture, dirt and traffic. When it comes to cleanup time, just sweep underneath! We offer the largest commercially available sizes in a high-capacity, low-cost dunnage solution that lets you reset and move workstations as often as you see fit. Plus, the grid-top design simplifies working with fluids and bagged goods because any spilled items will flow through the surface to the floor below.

EASILY STORE SUPPLIES AND MATERIALS OFF THE GROUND

LOCKING SYSTEMS
Simple locking system allows for quick and trouble-free assembly

EL-12406
12"W x 40"L x 6"H
Two Unit Assembly
Unit can be extended in 12" increments to organize, ship, move or store items
(Sold in pairs, 2 pieces)

Expandable EZ Lock Platform Rack & Pallet

Quantum's EZ Lock platform and pallet allows you to customize your storage space in seconds. Its patented interlocking design allows true flexibility in building the exact size pallet or platform you need. Using 12" x 40" footprints, each unit locks together making this an all-purpose storage, moving, and shipping solution. Manufactured of recycled high density polyethylene, the vented deck is freezer safe and chemical resistant. Its one piece body design and structure allows for a 4 way forklift and hand truck entry, and it meets GMA industry standards. Enhances any 5S Lean initiative. Withstands temperatures from -30°F – 200°F and offers up to 2,500 lb. load capacity when connected. Once built, the structure will maintain its dimensions with no sagging or stretching. Plastic will not absorb any liquids or chemicals and is resistant to insect infestation. Perfect for use in hospitals, pharmacies, clean rooms, food and beverage areas, manufacturing environments, and supermarket and grocery store back rooms.
