6-quart round stainless steel rolltop chafer

Stylish, functional and durable, this round rolltop chafer is exactly what you need for catered events, buffets and parties to keep hot food at delicious serving temperatures. It's constructed of 300-Series mirror-finish stainless steel and features a unique roll-top lid that holds three positions for easy serving and refilling. The included food pan, water pan and chafer holder work together perfectly, providing everything you need to start serving with ease.
