VOLLRATH

CBGHD-72

72-inch heavy duty gas radiant charbroiler

Our heavy-duty gas charbroiler performs like a powerhouse, thanks to high-output burners and a durable, welded stainless steel design. You'll appreciate the versatility too, thanks to reversible grill plates — a narrow side with fat-draining channels, and a flat, wide surface for delicate items like fish. Angled adapter bars allow plate adjustment for slower cooking, fewer grease flare-ups, and food that's grilled to perfection.
