VOLLRATH

FMF-3

Three-compartment flush-mount flatware organizer with removable black perforated cylinders

The flush-mount flatware organizer by Vollrath is a convenient storage solution. The ABS plastic construction is equally sleek and durable, promising years of use. Removable black perforated cylinders (Vollrath® item number 52633) keep your flatware sorted and separate and can also be used with prepackaged condiments for exceptional versatility. The flush-mount design saves valuable counter space, and the slanted openings offer a clear view of the items while preventing them from falling out, making self-service easy and more sanitary.
