VOLLRATH

CTL3

Horizontal lid organizer with three adjustable lid compartments and one straw holder

Keep lids and straws organized and within reach with the horizontal lid organizer by Vollrath. The strong stainless steel stands up to years of use, and the adjustable compartments accommodate a wide range of lid sizes with ease. The attachable straw holder holds a large quantity of straws, reducing the number of refills required. This lid organizer can be used on your countertop or mounted on the wall for impressive versatility.
