Half-size 2 _-inch-deep Super Pan V¨ stainless steel induction-ready steam table pan

The Super Pan V induction-ready steam table pan is perfect for your modular induction dry well drop-in. Made of induction-ready stainless steel, this durable, long-lasting pan is ready to provide efficient, powerful performance. The smooth curves and bright finish create a professional, polished look, and the sleek interior is easy to clean. Rounded corners allow easy pouring and are up to 300 percent stronger than traditional corners, while antijam stacking lugs ensure easy separation and lifting of the pan.
