VOLLRATH

GGMDM-36

36-inch medium-duty flat-top gas griddle with manual controls

The Vollrath® gas griddle adds powerful versatility to your kitchen. A simple, safe and economical way to streamline food prep, the thick, polished surface and U-shaped burners distribute heat evenly over the entire cooking surface. The manual control knob is easy to use and will never break or crack, and the back and sloped sides reduce mess. With 84,000 BTUs of heating power, this impressive griddle is a great choice for any kitchen.
