VOLLRATH

GGHDT-24

24-inch heavy-duty flat-top gas griddle with thermostatic controls

A safe and efficient way to streamline food prep, the new Vollrath® heavy-duty gas griddle elevates your kitchen's capabilities with increased power and durability. Thicker 1-inch polished surface and U-shaped burners distribute 60,000 BTUs of heat evenly over the entire cooking surface. Thermostatic controls maintain user settings to ensure consistent surface temperature, with metal knobs that will never break or crack. With thick back and sloped sides for less mess, this heavy-duty griddle meets the demands of any kitchen.
