6 ½-inch 1-quart Tribute® 3-ply saucier with silicone handle

The Tribute saucier by Vollrath® keeps things smooth, with uniquely curved sides perfect for whisking ingredients as you cook, for high-quality results. Stainless steel and aluminum combine to ensure 3-ply durability, induction compatibility, and even heat distribution. The new handle provides a cooler, more comfortable ergonomic grip and is heat resistant up to 450°F continuous use, 600°F intermittent use. And it's secured with the Ever-Tite system, which promises a strong connection and a lifetime limited warranty against loose rivets.
