Half-size flatware soak-and-wash system with tub and Traex® open rack in cocoa

Allow your flatware to soak thoroughly before washing with the soak-and-wash system by Vollrath. This system comes with a half-size tub and Traex open rack, providing everything you need to get your flatware cleaner than ever. The rack holds plenty of flatware at one time while keeping it all together and out of the way. The durable construction promises years of use, and the molded handles on each side ensure easy gripping and transportation, making this soak-and-wash tub an excellent choice for any kitchen.
