VOLLRATH

TR6BB

Traex® full-size square 25 compartment rack

The strength of the Vollrath® Traex full-size glass rack is unmatched. Made out of copolymer plastic to ensure chemical, impact and heat resistance up to 180°F for 30 minutes, these full-size racks are impressively durable. The open profile allows top-to-bottom and side-to-side washing as well as air circulation for superior cleaning and drying, while the built-in rack dividers provide 100-percent vertical protection for your glassware. Compartments maximize space, reducing the number of loads required to wash all your glassware, and the three extenders provide ample room for tall glasses. Handles on all four sides of the rack ensure easy gripping and transportation, while reinforced index strips allow for four-way tracking.

SPECIFICATIONS
