VOLLRATH

4605

5-quart aluminum professional strainer

The professional strainer by Vollrath is a valuable addition to your kitchen. Made of durable aluminum, this long-lasting strainer features 1/16-inch holes that allow you to strain pasta and vegetables, wash fruit and more. The riveted handle is strong enough to hold large amounts of food at once and offers a comfortable grip, while the pot hook allows you to rest the strainer on your pot so you can let the contents strain while you attend to other tasks.
