VOLLRATH

7350

10-quart Arkadia™ aluminum saucepan in natural finish

The Arkadia saucepan by Vollrath is beautifully designed and durably constructed. The heavy-gauge 3000-Series construction is strong and long-lasting, and the natural finish ensures even heating and uniform results. The reliable handle is securely attached with rivets and offers a comfortable grip. Designed with efficiency and versatility in mind, this pan is perfect for sauces as well as broth, soups, stews and more.
