VOLLRATH

S5433

3-pound Wear-Ever® professional standard-strength aluminum loaf pan with nonstick finish

The Wear-Ever aluminum loaf pan by Vollrath is made of impressively durable aluminum that offers even, consistent baking and heats quickly, helping you save valuable time. It features a nonstick finish, sleek design and rounded corners that make this pan easy to use and clean, and ensures a smooth release of food items. The rectangular shape is perfect for bread, desserts and more.
