1/4-cup oval heavy-duty stainless steel measuring scoop

Improve your measuring accuracy with the Vollrath® ¼-cup oval measuring scoop. Made of heavy-duty stainless steel, this scoop features a sleek one-piece construction that is easy to clean. The tapered oval bowl allows for easy pouring and prevents messes, while the long handle offers excellent mixing leverage and a comfortable grip. The capacity is stamped on the handle for quick identification, and the hanging hole at the end provides a convenient storage solution. Ideal for both wet or dry ingredients, this measuring scoop is a versatile addition to any kitchen.
