7/16-inch-cut french fry potato cutter

Save time and energy with the Vollrath® french fry potato cutter. This sturdy unit makes accurate 7/16-inch-cuts with one stroke of the sure-grip handle, without causing bruising or waste. The cast-iron body and handle will last for years, while the nickel plating prevents corrosion. A stainless steel “V” trough guarantees a smooth cut and makes cleaning simple. Screw holes in the base of this unit allow for counter or wall mounting to prevent movement and ensure stability. The unique design of this french fry potato cutter is perfect for any prep kitchen.
