6-quart Intrigue® stainless steel sauté pan in mirror finish

Designed for induction ranges, the Intrigue sauté pan by Vollrath promises exceptional efficiency, versatility and performance. Made of heavy-duty stainless steel, this sauté pan is durable and long-lasting, and the thick bottom layer ensures even heating and uniform cooking. The mirror-finish exterior gives this sauté pan a beautiful appearance, and the patented ergonomic riveted handle offers impressive durability and a comfortable, cool grip. And a convenient helper handle improves maneuverability. This sauté pan is oven- and dishwasher-safe for added versatility and easy cleaning, while the rounded lip allows mess-free pouring.
