24-quart Intrigue® stainless steel brazier with natural finish

Designed for Vollrath® induction ranges, the Intrigue brazier is a versatile addition to any kitchen. Made of heavy-duty stainless steel, this brazier is durable and long lasting, while the natural finish ensures even heating and uniform cooking. The mirror-finish exterior gives this brazier a beautiful appearance, and the heavy-duty loop handles promise convenient transportation. This brazier is oven- and dishwasher-safe for added versatility and easy cleaning, while the rounded lips allow mess-free pouring.
